Postal employees of Kingston, NY post office are still stealing my mail. Register your letter and keep a copy of your correspondence. Mr. Weisberg,

I wrote to you on Nov. 26,
1985 but have yet received no
answer. Xerox of the covers of
my two latest booklets are is
enclosed. Coup in the U.S. (\$3
each) has important changes
from what was in my 11-26-85
letter I believe. Biblical
Battles (also 12 pages but free)
lists the important events of
the next six years such as
the building of the Temple where
the Dome of the Rock is - the hope
of all religious Jews, and the
removal of the altar and vessels
from the secret place into the Holy
of Holies. Dad's will be done.

AMERICAN JUSTICE FAILS!!

The first successful violent coup in America this century changed the ruling government from Kennedy to Johnson. Three government employees died in the coup - Kennedy, President; Tippit, police officer; Oswald, CIA operative. Connelly, governor, was seriously wounded but recovered; a Secret Service agent was alleged to have been killed also. None of the conspirators were brought to trial (Oswald was not one). Most of the conspirators and witnesses are dead. The truth is alive.

The evidence is readily available - in the Commission Report of 1964; the House Assassination Report of 1978-1979; in the archives; in the files of government agencies; and in the private files of the Kennedys, authors on the assassination, former government employees, and the news media. The extensive pictures; the autopsy X-rays and pictures; and the clear testimony of witnesses and documents proclaim the guilt of the Mafia, the vice presidency, the news media, the CIA and F.B.I., and millionaire businessmen.

The truth was suppressed by all concerned because it touched their fibre of immorality. The nation's shame was laid bare; courage to confess guilt and to stand for the truth fled. It was easier to ~~come~~ dwell in darkness than to come to the light. Another generation could tell the truth - so the archives and private files were sealed up.

The bibliography in this booklet is what I've read on this subject or, where noted (R), are references. All these books are available at one or more local libraries in your area; ask.

Kennedy was killed out of vengeance, and hate for the truth, contrary to the laws of God and America. Let us live the truth, we who believe, for the sake of our own souls and America. Justice can be successful thru faith and works, only; the past can be corrected so history reads the truth.
